PROGRAM DESCRIPTION

The Charlotte Amateur Astronomers Scholarship Auction Drive

This month we are holding an auction to fund a scholarship for a deserving UNCC physics student. This is the third time the club has held such an auction. The previous auctions held in 2010 & 2012 were both a great success. We have books, magazines, telescopes, eyepieces, DVD's, computers and many more items just waiting for the highest bidder.

Here are just a few of the items (with the minimum bid) that will be up for auction:

- Tasco 114 mm EQ-DH4 (4.5) Telescope Newtonian (\$80)
- Pentax Zoom lens 50 – 300X (\$10)
- 10" Mirror (\$100)
- Hubble Telescope Lenticular image (\$3)
- Week @ Ariz Dark Skies Astronomy (\$500)
- Equations written by John Dobson + signature (\$5)

So open up your wallets and come on out and bag some really nice stuff at a bargain price. You will be supporting a VERY worthwhile cause!

Bob Cantu and Tom Blevins will be your auctioneers for the evening. Note that we will only be able to accept cash or checks, no credit cards, in payment for items purchased.

FROM THE OBSERVATORY DIRECTOR

Loaner scopes are available, contact observatory director (Ken Steiner) if you want to pick up at the monthly meeting.

FROM THE SECRETARY

Register with the Night Sky Network

It is imperative that all members of the CAAC join the Night Sky Network (NSN). In the very near future, all of the clubs outreach activities will be managed by the NSN, as well as club communications (newsletters, event notifications, general email). The NSN is a wonderful tool specifically designed for amateur astronomy clubs like ours.

Membership allows you to contact other members via email, and receive last minute updates for outreach events via text message:

Pre-Monthly Meeting Gathering

Several CAAC members gather at Panera Bread (601 Providence Road, just a few blocks from our meeting place) at 5:30 prior to the monthly meeting. Anyone interested in sharing a meal with them is welcome.

CAAC Apparel & Gear

FOR SALE

For Sale or Trade:

Celstron Sky Scout, excellent condition and includes the case and CD - \$90. Jim Sorrow can be contacted by phone 803-230-6989, or email jimsorrow@windstream.net.

Meade LXD55 AR5, 5" Achromat refractor with go to EQ mount and tripod plus a Minus Violet eyepiece filter. Tube is in good condition, just slightly faded, and gives great views. This is the sweet spot size, a 4" is not quite enough and a 6" is very heavy (I've had all 3). Asking \$600, was \$1,000 new. Tom Ifft, sctom1@yahoo.com
